ComIT
Diploma, Web Development
2021 - 2021

National ChengChi University
Bachelor of Arts in European Languages and Cultures (Spanish)
2012 - 2016

SUMMARY

I discovered a love for software engineering 3 years ago when I was exploring new career paths after moving to Canada during Covid. I joined a bootcamp as a student, transitioned into a role as a teaching assistant, and later worked as a full-stack developer at a startup for 1.5 years. With hands-on experience in building real-world web applications, I am eager to pivot towards new opportunities and thrive in a dynamic and collaborative environment.

WORK EXPERIENCE

Full Stack Developer | Fickl App

Jun 2022 - Current, VANCOUVER, CA

Fickl is a full-stack marketing platform dedicated to empowering businesses in the seamless management of their marketing content and strategies.

- Developed and launched 20+ features from concept to production, managing all aspects of the development including design, implementation, and deployment. Built the web application with React and Firebase
- Automated customer payments with Stripe and Firebase extension
- Integrated third-party APIs to develop email marketing features and streamlined social media auto-publish function

Teaching Assistant | BrainStation Web Development Bootcamp

MAR 2022 - Jun 2022, VANCOUVER, CA

- Graded assignments and provided feedback on progress
- Conducted code review for 25 students
- Participated in weekly retros and stand-ups with the Education Team
- Promoted cross-collaboration for students in Web Development and UX Design
- Provided 1-on-1 mentorship for students

PROJECTS

ENCHANTED SCENTS
- A full-stack web application of an e-commerce fragrance website.
- Built with Next.js, TypeScript, Prisma, MySQL, Stripe API and Tailwind CSS.

BLOOM EXPRESS
- A flower delivery website with an elegant and responsive design.
- Built with Next.js, TypeScript, and Tailwind CSS.

THE ONE WITH THE ARRAY METHODS
- A dynamic website designed to explore JavaScript array methods, featuring practical use cases and adorned with the playful charm of the Friends' theme.
